**THE PLAIN DEALER NAMES TENDON MANUFACTURING  
A WINNER OF THE NORTHEAST OHIO 2017 TOP WORKPLACES AWARD**

Cleveland, Ohio, 6/18/17 - Tendon Manufacturing has been awarded a 2017 [Top Workplaces](#) honor by The Plain Dealer. The Top Workplaces lists are based solely on the results of an employee feedback survey administered by [WorkplaceDynamics, LLC](#), a leading research firm that specializes in organizational health and workplace improvement. Several aspects of workplace culture were measured, including Alignment, Execution, and Connection, just to name a few.

“The Top Workplaces award is not a popularity contest. And oftentimes, people assume it’s all about fancy perks and benefits.” says Doug Claffey, CEO of WorkplaceDynamics. “But to be a Top Workplace, organizations must meet our strict standards for organizational health. And who better to ask about work life than the people who live the culture every day—the employees. Time and time again, our research has proven that what’s most important to them is a strong belief in where the organization is headed, how it’s going to get there, and the feeling that everyone is in it together. Claffey adds, “Without this sense of connection, an organization doesn’t have a shot at being named a Top Workplace.”

“We are very excited that our employees voted Tendon Manufacturing as a Top Workplace.” Said Michael Gordon Jr, Sales Manager at Tendon. “We pride ourselves on not just investing in our equipment but also in our people. It is such an honor that our employees enjoy working here enough to respond so positively to the polling.” Michael explained. “Take care of your people and they will take care of you.”
